

Midwestern University Osteopathic Manipulation Therapy (OMT) Clinic is conducting a study on Veterans of all eras with chronic pain. The study will conduct free OMT on veterans at their clinic at 19389 N 59th Ave, Glendale, AZ 85308 (59th Ave & 101). The study will begin at the end of April - early May. Could you send an email to all your veteran contacts? They can contact me via email at tonigrimes@hotmail.com to get additional information.

Thanks,
